

Mark Waid Interview Sheet

After you watch the interview with Mark Waid, answer these questions with a partner.

1. What was something Mark said in his interview that struck you?

It is much easier to edit, shift, and manipulate a script than it is to do the same to a panel.

2. Why?

It describes why there is a process to things and that thing done in the wrong order could lead to consequences and unwanted outcomes later in the project.

3. What did Mark say that you will keep in mind while you're scripting?

Connect and reconnect yourself to the experiences and emotions that your character would and wouldn't feel.
