

# Inks Grading Worksheet

INKS If completed effectively, Inks allow your comic to be reproduced on mass without the need for colors. Inks cover both letters and pencils on your final comic page.

## Partner's Idea:

Criteria	Does it meet this criteria?
Inked letters are clear	Yes/No
Inked art is easy to read	Yes/No
Inked art has varying line weights	Yes/No
All inks are completed with attention	Yes/No
All inks (art and letters) are complete and ready for print	Yes/No
Number of "Yes" answers=	
<p><b>Open Feedback:</b> Please provide kind, specific, and helpful feedback for the creator. Remember that this is an early attempt to create and that your feedback is pivotal in the process of this learner refining their work. If you graded the learner a "no" on any of the answers above, use this space to indicate why and if there are any suggestions you have for improvement for their next draft.</p>	

## Inks Rubric

Look at which of the above ideas has the highest numbers of "Yes" answers. How many "Yes" answers will determine what you need to improve on for your comic

0-1 = Poor	2-3 = Satisfactory	4 = Good	5= Excellent
Inks (letters and art) are completed quickly, without varying line weights rendering the comic completely unreadable.	Inks (letters and art) have varying line weights but are completed too quickly making the comic slightly unreadable.	Inks (letters and art) have varying line weights but are completed with attention, but they could use some revisions before considered completely ready for print.	Inks (letters and art) have varying line weights but are completed with attention and are complete and ready for print.
